My greetings,

ABOUT (US \$ 10.5 million) TEN million five hundred thousand United States dollars

We want to transfer to overseas (US \$ 10.5 million) from the Amalgamated Bank of South Africa ABSA. I would ask you, quiet for a reliable and honest person who will be able and to either make an existing bank account or instantly set up a new bank account, this money will look to get fit, can also serve as an empty account, this to get money as long as you honestly me to stay until the end of this important business, to believe in you and trust in God that you will never let me down either now or in the future. I'm Dr. DR. CALEB Martins, the Auditor General of ABSA, in the course of our audit, I discovered a floating fund in an account opened in the bank in 2009 and since 2012 nobody on this account again operated. After going through some old files in it strings, I discovered that the owner of the account died without an heir; so the money floating and if I did not transfer the money out urgently it forfeited for nothing.

The owner of this account is Mr. Allan P. Seaman, a foreigner, and an industrialist, he died since 2010. And no other person knows about this account or anything about you, the account has no other beneficiary and my investigation proved to me as well that Allan P. Seaman until his death was the manager of Diamond Safari (Pty) South Africa. We want this sum US \$ 10,500,000 (ten million five hundred thousand US dollars) into a safe foreigners account abroad, but I know no foreigner, I am only contacting you as a foreigner because this money is not to obtain a permit local person here, but can only be approved at each alien with a valid passport or driving license.

The money is in US dollars and the former owner of Mr. Allan P. Seaman account is alien to and the money can be approved only in a foreign account. Considering the recommendation I received in your favor by the South African Chamber of Commerce in relation to their suitability and reliability in carrying out this transaction, I ask hereby for leniency for cooperating with me in this mutually beneficiary transaction. I reveal this to you, to believe in God, that you never disappointed me in this business, the first and only person who I contacted for this business, so please reply urgently so that I can inform the next step are to take. Please, while answering include private telephone and fax numbers as well as full details of the account used for the deposit.
