### COMPENSATION OF FUNDS

We wish to notify you as a beneficiary in compensation of USD\$2,000,000.00 (Two Million United States Dollars). We, the authorized governing body of the United Nations Monetary unit has been authorized to investigate the unnecessary delay on your payment, recommended and approved in your favour by the United National Security Council.

During the course of our investigation, we discovered with dismay that your payment has been unnecessarily delayed by corrupt officials of the previously appointed paying bank who were making effort to divert allocated funds into their private bank accounts. To prevent this, security of funds has been organized in the form of a Personal Identification Number (Pin) ATM CARD. This will enable only you to have direct control over your funds with the ATM CARD. We will monitor your payment by ourselves to avoid any repetition of the hopeless situation created by the officials of the previous paying banks. An irrevocable paying guarantee has been issued by the World Bank Group and the International Monetary Fund (IMF) for your payment.

The United Nation Compensation Commission(UNCC) was created in 1991 as a subsidiary organ of the United Nation Security Council under Security Council resolution 687(1991) to process claims and pay compensation for the losses and damages suffered as a direct result of Iraq's unlawful invasion and occupation of Kuwait in 1990-91. Their first meeting held on the 8<sup>th</sup> of April 2003.
