

Good day Dearest One,

Please kindly be honest to me. My name is Mrs. Jenny Wilson, I am a dying woman who had decided to donate what I have to the Charities. I am 75 years old and was diagnosed for cancer about four years ago, immediately after the death of my husband.

I have been touched to donate from what I have inherited from my late husband for the good work rather than allow his relatives to lavish my husband's hard earned fund.

As I lay on my sick bed, I want you to help me in carrying out my last wish on earth which will also be very profitable to you. I want to WILL a total sum of **\$5.5 million** USD to you which I want you to distribute part of it to any charity home for me and the rest for yourself and your family, I will inform you on how to share all.

Please for further information contact me ASAP.

I will be looking forward to hear from you.

Regards,

Mrs. Jenny Wilson.
