

Dear,

I am Barrister Christian James, a solicitor at law. I am the personal attorney to a national of your country who used to work as a director general with Shell development Oil Company in Nigeria. On the 21st of April 2010, my client, his wife, and their only son were involved in an auto accident along Ijebu Ode Road. All occupants of the vehicle unfortunately lost their lives. Since then I have made several inquiries to your embassy to locate any of my client's extended relatives; this has also proved unsuccessful. After these several unsuccessful attempts, I decided to trace his relatives over the internet to locate any member of his family but to no avail, hence I contacted you.

I have contacted you to assist in repatriating the money and property left behind by my client before they get confiscated or declared on serviceable by the bank where these huge deposits were lodged. Particularly, the Bank where the deceased had an account valued at Eighty Seven Million, Five Hundred and Fifty Thousand United States Dollars has issued me a notice to provide the next of kin or have the account confiscated within the next ten official working days. Since I have been unsuccessful in locating the relatives for over seven years now, I seek your consent to present you as the next of kin of the deceased since you are from the same country so that the proceeds of this account valued at \$87.550 million can be paid to you and then you and I will share the money; 55% to me and 40% to you while 5% would be for miscellaneous expenses or tax as your government may require.

I have all the necessary legal documents that can be used to back-up any claim we may make. All I require is your honest, cooperation and to follow all the instructions that will be given to you as the next of kin, just to enable us seeing this deal through. I guarantee you that this will be done under a legitimate arrangement that will protect you and me from any breach of the law. Please get in touch with me as soon as possible, by providing me with your mobile telephone to enable me call you for more details and further clarification.

Please keep everything concerning this transaction well CONFIDENTIAL FOR SECURITY REASONS AND FOLLOW ALL MY LEGITIMATE INSTRUCTIONS TO ACHIEVE THIS GREAT GOAL, THANK YOU.

Best regards,
