

MR.DAVID BRIGHT
DEPARTMENT OF MINERALS AND ENERGY,
PRETORIA, SOUTH AFRICA.
EMAIL: davidbright277@gmail.com

Dear Sir/Madam,

It is my great pleasure in writing you this letter on behalf of my colleagues to seek your assistance to enable us to own properties and invest in the stable economy of your country. I apologize if this mail does not suit your personal or business ethics.

I have decided to seek a confidential co-operation with you in the execution of the deal in strict confidence. As senior civil servants in the South Africa Government, the South African civil service laws (Code of Conduct bureau) forbid us to own a foreign account. Within the Department of Minerals and Energy Department where I work as a Director of Audit and Project Implementation and with the co-operation of two other top officials, we have in our possession as overdue payment in US funds.

The said funds represent certain percentage of the total contract value executed on behalf of my Department by a foreign contracting firm which we the officials over-invoiced to the amount of US\$14.500, 000.00(Fourteen Million Five Hundred Thousand US Dollars). Though the actual contract cost has been paid to the original contractor, leaving the excess balance unclaimed.

Since the present elected Government is determined to pay foreign contractors all debts owed so as to maintain good relationship with foreign government and non-government agencies, we include our bills for approvals with the Department of Finance and the Reserve Bank of South Africa (RBSA). We are seeking your assistance to front as beneficiary of the unclaimed funds, since we are not allowed to operate foreign accounts. Details and change of beneficiary information upon application for claim to reflect payment and approvals will be secured on behalf of you/your company.

The business itself is 100% safe and secure, provided you treat it with utmost confidentiality. It does not matter whether you/your company does contract projects as a transfer of powers will be secured in favor of you/your company. Also your area of specialization is not a hindrance to the successful execution of this transaction. If you will like to assist us as a partner, then indicate your interest. All other information to facilitate the remittance of the funds will be revealed to you in due course. For your assistance, your share as compensation will be US\$3.625m (25%), while my colleagues and I receive US\$9.425m (65%) and the balance of US\$1.450m (10%) will be used to settle taxation and other miscellaneous expenses in the course of transferring the funds to your account.

Please indicate your direct telephone and direct fax number when replying this business proposal so I could call you when necessary. If you are not interested, kindly also indicate so that it will enable me to contact other foreign partner with recommendations to carry out this deal.

For further details upon your acceptance of this proposal.

Thanks for your co-operation.

Regards,
MR.DAVID BRIGHT
