Dear,

This may appear a bit surprising to you but very beneficial as a matter of urgency am desperately looking for a foreign partner whom I can trust to handle some investment or fund movement.

I am **Mr. Ibrahim Sani**, the first son of late **Mr. Mustafa Sani**, who was murdered by the Zimbabwean veterans and irate black people. I am writing from South Africa .if well executed as your contact is via **AMERICAN ONLINE INTERNET NETWORK** through the consultancy directory during my search for a reliable and honest person to transact this business with. I write to solicit for your special assistance to a family shattered by a tyrannical government led by a dictator and the (**ZANU-PF**) ruling party-president **Robert Mugabe**. Because of land and farmland crisis in Zimbabwe, the government secretly sponsored the war veterans and some irate party members to dispossess the land being occupied by white farmers. This action has led to the killing of some members of opposition party including my Father (**Mr. Mustafa Sani**).

But before the death of my Father, he anticipated some dangers and so he deposited the sum of **US\$18 million (Eighteen Million United States Dollars)** on my name as his first son, with the help of reputable security company in South Africa with the intention of using it to open fertilizer manufacturing company among other companies in our neighboring country (Swaziland) after his university education.

The war veterans and some supporters of (**ZANU-PF**) ruling party trooped into our compound and axed him (my Father) to death. Since then, they have been terrorizing me as the only son, but we managed to escape to a neighboring country, South Africa as a political asylum seeker (**Refugee**). But our position in South Africa does not permit us to open an account or run any huge financial business.

That is why I want this fund to be transferred into your private account so that you will assist me to invest it in your country. Hence, if you agree to assist me, we will offer you **25%** of the total money for your assistance, **5%** will be for the possible expenses incurred on the process of this transaction, while **75%** will be for our family investment in your country through your assistance. I need your urgent and confidential response.

Yours faithfully,

MR.IBRAHIM SANI.
