

## REQUEST FOR URGENT BUSINESS TRANSACTION.

Good Day,

I'm aware that this unexpected letter will come to you as a surprise I apologize for any inconvenience, but please do bear with me for I am only seeking for your help. However, your address was the consideration and recommendation of your profile when I went to ICQ business website and became aware of your credibility and integrity. Hence my humble decision to solicit for your understanding mutual cooperation in this transaction, which will be beneficial to all of us.

My name is Mr. Fahe Tagro; I am from Ivory Coast and presently residing in South Africa as a Refugee after the political crisis in my country last year. I am the son of Late Hon Desire Tagro the former Interior Minister of Ivory Coast during President Laurent Gbagbo's and until his death the Chairman of Ivory Coast Diamond and Gold mining cooperation. The rebel soldiers during the political crisis in my country last year assassinated him when they came to loot the cooperation warehouse. Before his death, he imposed a great deal of confidence in me thereby leaving me with the responsibility of seeing to the safe and eventual investment of the family fund. The amount involved is Eight Million Five Hundred Thousand United States Dollars (\$8,500,000.00). The fund was brilliantly transferred from Ivory Coast to South Africa through diplomatic means and deposited with a security firm. Although this money was deposited as precious stones and family valuables, the ensuring demurrage is appreciating day by day. All that is required by you is to come for the reasons of opening a non-resident and upgraded dollar account where the money will be deposited first before being transfer to your account in your country.

This transaction is to be treated with utmost confidence because presently, the problem surrounding my family is over and the press is less interested over my family matters, so I've decided to invest this fund in your country for my family's security reasons. As a matter of fact, we have reached an agreement of 25% of the total sum for your assistance towards this transaction, 5% of eventual expenses that might be incurred on the course of this transaction if any, 70% is for my family and this will be invested in your country in any lucrative business.

Finally, I wish to assure you that this transaction will not attract any risk on your behalf and we have finalized every arrangement for the successful completion of this transaction the moment we got your consent.
