Dear Sir/Madam,

RE- DISCOVERED FUND BY HM TREASURE AND INTERNATIONAL MONETARY FUND UNIT (IMF)-

The office of HM Treasury Department and Department of Finance, United Kingdom, has discovered that you have a pending transfer of fund into your Bank account. During the second quarter of the general Financial Auditing, the International Monetary Fund Unit (IMF) recovered your fund on your name which was to be paid to you through bank-to-bank transfer. It has been understood by our investigating team that the Bank was supposed to remit this fund into your bank account sometime last years but was not able to do so.

After the auditing, United Kingdom International Funds Monetary Unit decided that the entire recovered fund should be paid to their various owners with immediate effect by issuing an ATM Card being the best options to get this fund to their owners. This decision was taken by the Board of auditors in the Department of Finance (Office of the Treasury), and at present the fund is in the Escrow account of the new appointed Bank.

For Confirmation and authorization of your payment, you are hereby advised to send your full information as stated below because we will be handling the execution of this transaction and making sure the ATM Card is issued with your information and directed to your postal address.
