Dear fund beneficiary,

RE: IRREVOCABLE PAYMENT ORDER VIA ATM CARD

Based on series of petitions we received by from various organizations such as Cooperate Bodies and Non Governmental Organization (NGO) on the Inability of some Government officials, Commercial banks and World Lottery Organization to settle their clients Contract debt, Inheritance and Winning Prizes. The Debt Reconciliation Unit of this institution has authorized us, to investigate the unnecessary delay on payment approved in your favor. During the course of our investigation, we discovered with dismay that your payment has been unnecessarily delayed by corrupt officials of the Bank who are trying to divert your funds into their personal accounts.

After an extensive close door meeting yesterday, it was resolved and agreed upon that CAPITEC BANK will work extensively to ensure that all contract payment, Inheritance and Lottery Winning Prizes be settled without any hassle. For security reasons, your funds will be packaged in form of your personal Identification number (PIN) ATM CARD and this will enable only you to have direct control over your funds. We will monitor this payment ourselves to avoid the hopeless situation created by previous bank officials.

The World Bank Group and the International Monetary Fund (IMF) on your Payment have issued an irrevocable payment guarantee. However, we are happy to inform you that based on our recommendation/Instructions; your complete Inheritance funds have been credited in your favor through ATM CARD.

You are therefore advice to contact:
