URGENT ASSISTANCE NEEDED

Good day,

I am **Mr. George Mboweni**, an Executive Accountant with South Africa Department of Minerals and Energy. First and foremost, I apologized using this medium to reach you for a transaction of this magnitude, but this is due to Confidentiality and prompt access reposed on this medium. I got your contact email address through my private search on South Africa Business Directory online hence I decided to seek a confidential co-operation with you in execution of deal described hereunder for the benefit of all parties and hope you will keep it as a top secret because of the nature of the transaction.

Within the Department of Minerals and Energy where I work as an Executive Accountant and with the cooperation of two other top officials, we have in our possession as overdue payment bills totaling Twenty - Six Million, Five Hundred Thousand U. S. Dollars (US\$26,500,000.00) which we want to transfer abroad with the assistance and cooperation of a foreign company/individual to receive the said fund on our behalf for investment purposes pending our arrival in your country. More so, we are handicapped in the circumstances, as the South Africa Civil Service Code of Conduct does not allow us to operate offshore account hence your importance in this transaction.

This amount US\$26.5 Million Dollars represents balance of the total contract value executed on behalf of my Department by a foreign contracting firm, which we the officials over-invoiced deliberately, Though the actual contract cost have been paid to the original contractor, leaving the balance in the tune of said amount, which we have gotten approval to remit by electronic wire transfer to any foreign bank account you will provide by filing in an application through our department for transfer of rights and privileges of the former contractor to you.

I have the authority of my partners involved to propose that should you be willing to assist us in this transaction, you're entitle to 30% of the total fund US\$26.5 million while 70% for us, which will be invested in your country under your guidance and supervision . The business itself is 100% Legal, on your part provided you treat it with utmost secrecy and confidentiality. I have reposed my confidence in you and hope that you will not disappoint me. Should this proposal be of interest to you and you are willing to assist, do not hesitate to contact me strictly on my private e-mail: george.mboweni@aol.com together with your details.

Truly Yours,

Mr. George Mboweni
