

Greetings

Strattford Finance bank is United Kingdom international financial institution that offers medium to long-term lending to small and medium-scale enterprises. We have built up an excellent reputation over the years in providing loan services within and outside the United Kingdom. We also offer investment loan to group or individual with a good business plan to reduce poverty. If you are interested in our above offer, kindly contact our assigned Loan Controller (Mrs. Sandra Ellis) at: [sellis@execs.com](mailto:sellis@execs.com)

We awaits your response in applying for a loan in our great loan company so that we can then forward you the application form to fill

Sincerely

Management
