Mr. Jacob Zuma and now presently the Minister of Women in the Presidency from May 2014. After due deliberation with my children, I decided to contact you for your assistance in standing as a beneficiary to the sum of US\$30.5M (Thirty Million, Five Hundred Thousand United States Dollars Only). You can view my profile at my (website by clicking (<http://www.whoswhosa.co.za/user/2169>) and read about me. and THE PROPOSAL,

After my swearing in ceremony making me the former Minister of Safety and Security, My husband Mr. Ndebele Shabangu died while he was on an official trip to Trinidad and Tobago. After his death, I discovered that he had some funds in a dollar account which amounted to the sum of US\$30.5Million with a security and finance institution in South Africa of which I will divulge information to you when I get your full consent and support to go for a change of beneficiary and subsequent Transfer of the funds into your comfortable and conducive account of your choice. This fund emanated as a result of an over-invoiced contract which he executed with the Government of South Africa.

Though I assisted him in getting this contract but I never knew that it was over-invoiced by Him. I am afraid that the government of South Africa might start to investigate on contracts awarded from 1990 to date. If they discover this money in his security company account, they will confiscate it and seize his assets here in South Africa and this will definitely affect my political career in, government. I want your assistance either by coming down to South Africa in person or provide your complete bank details information, so that these funds could be wired directly into your overseas account without any hitch. I am offering you 20% of the principal sum which amounts to US\$6,100.000.00 (Six million One Hundred Thousand United States Dollars Only) and 5% will be for any expenses that both of us may Insure in this transaction.
