

My dear Friend Good Day,
Asalam Aliyekum!

How are you today and your family? I hope all is well with you and your family. Before any thing, I am Mr.Mohad Sule from the Congo D.R; I was one of the top rebels of the eastern Kivu region. Recently, our Commander, General Laurent Nkunda, has been arrested in Rwanda. I got your information from the research, I made by myself via the internet. I have with a shear of \$8.5 million that we can invest together. This money was realized from natural resource that we mined during the years of wars; of which we were in control of many mines. The money is deposited into a private security firm in South AFRICA.

At the moment I am waiting for some who will partner with to make a proper investment. Once you are interested in working with me, please contact me by email at msule4@gmail.com , mohadsule2@gmail.com and don't forget to keep this as a TOP-SECRET.

Awaiting your urgent reply,
Mohad Sule + 27843250393
