**ATTN: PRESIDENT / MANAGING DIRECTOR.**

**PROPOSAL FOR URGENT BUSINESS ASSISTANCE.**

My name is **Mr. Musa Otieno** the elder son of **Mr. Shaik Otieno** of Kenya. This might be a surprise to you about where I got your contact address. I got your address from a private research I made on the internet when I was searching for a reliable partner who will assist me in this transaction.

My father was a business associate and Personal Assistant to **Mr. Saif Al-Islam** who was arrested on the **20th November 2011** with two of his Aids while trying to flee to Algeria by the National Transition Government who overthrew the late Colonel Gaddafi's Government after the 9 months war in Libya.

Before his arrest, My father had been able to move the sum of **USD\$19.5 Million (Nineteen Million, Five hundred United States Dollars)** through Diplomatic means to South Africa and was deposited in a Security Company in Johannesburg, South Africa along with **230Kilos of Gold**, Can we work together over this project? I am presently in South Africa now as the next of kin / beneficiary with all the depository documents from the Security Company.

Please we cannot afford any more problems because of the recent events in Libya. So I will advice you keep this absolutely confidential as my family are currently in Bani Walid-Libya in remote area for their safety from the hand of the enemies that knows that my father is close associate with Gaddafi's family and need your action urgently for us to get this concluded as soon as possible.

So I decided to contact overseas firm, individual and companies that will assist me to move this money out of South Africa because as asylum seeker I am not allowed to operate any Bank Account within South Africa. We have agreed to offer you **25%** of the total sum for your assistance, **5%** will be mapped out for any expenses that may be incurred in the course of this transaction while **70%** will be for me and my family to invest in your country.

All I want you to do is to furnish me with your entire personal phone and fax numbers for easy communication. You can contact me on the above Telephone and Fax numbers. Note that this transaction is **100%** Risk free and absolutely confidential.

Finally, please note that this must be concluded within reasonable time frame therefore your prompt reply is needed.

Thanks and God bless.  
Best Regards

Mr. Musa Otieno
