

Attn: Director/CEO,

With due respect, trust and humility, I write you this proposal, which I believe it will be of great interest to you. I found your contact while I was doing a private research on the internet for a reliable and capable foreign partner that will assist me and my son.

After the death of my husband Mr. Abel A. Muzorewa, my Son and I decided to move out of Zimbabwe, before the death of my husband, he deposits the sum of US\$18.2M (Eighteen Million Two Hundred Thousand United State Dollars) in one of the private security company, as if he foresaw the looming danger in Zimbabwe. This money was deposited in a box as germ stones to avoid much demurrage from Security Company. This amount was meant for the purchase of new machines and chemicals for his farms and established of new farm in Swaziland.

We have try to open bank account here but we are not allow to do so as we are refugee (Asylum Seeker), the law does not permit us, the banker who wants to help us on the transfer, said that our foreign partner have to come down and help us open a non-residential account on his/her name where the money will be deposited for onward transfer to overseas.

So if you consider this proposal, we have agreed to give you 25% of the total sum for helping us to move this money out of South Africa and 75% will be for me and my family to invest in your country. All I want is for you to furnish me your details and your personal phone and fax numbers and your email address for easy communication.

Finally, as soon as you have indicated your interest and capability to handle this transaction then my son will details you the modality. Please contact my son PAUL on; Email: rosemuzorewa@homemail.com or by telephone +27791298551
