Dear Sir/Madam

First, let me start by introducing myself as Ms. Susan Shabangu, a mother of three children and the Minister of Mineral and Resources since 11 May 2009 to date under the auspices of the president of South Africa Mr. Jacob Zuma.

After due deliberation with my children, I decided to contact you for your assistance in standing as a beneficiary to the sum of US\$30.5M (Thirty Million, Five Hundred Thousand United States Dollars only) you can view my profile at my website www.gov.za click on, Government contacts, then click on Ministries, and click on Mineral Resources, finally click on my name Susan Shabangu and read about me. My husband Mr. Ndelebe Shabangu died while he was on an official trip to Trinidad and Tobago in 1996.

After his death, I discovered that he had some funds in a dollar account which amounted to the sum of US\$30.5 Million with a Security and Finance Institution in South Africa of which I will divulge information to you when I get your full consent and support to go for a change of beneficiary and subsequent transfer of the funds into you a comfortable and conducive account of your choice.

This fund emanated as a result of an over-invoiced contract which he executed with the government of South Africa. Though I assisted him in getting this contract but I never knew that it was over-invoiced by him. I am afraid that the government of South Africa might start to investigate on contracts awarded from 1990 to date. If they discover this money in his bank account, they will confiscate it and seize his assets here in South Africa and this will definitely affect my political career in government.

I want your assistance in opening an account with bankers through my banker so that this fund could be wired into your account directly without any hitch. As soon as the fund gets to your account, you are expected to move it immediately into another personal bank account in your country.

I will see to it that the account is not traced from South Africa. As soon as you have confirmed the fund into your account, I will send my eldest son with my attorney to come to your country to discuss on business investments. For your assistance, I am offering you 20% of the principal sum which amounts to US\$6,100,000.00 (Six Million One Hundred Thousand United States Dollars only) however, you have to assure me and also be ready to go into agreement with me that you will not elope with my fund. If you agree to my terms, kindly as a matter of urgency send me an email. Due to my sensitive position in the South African government, **PLEASE DO NOT CALL ME ON THE OFFICE PHONE FOR SECURITY REASONS.** Feel free to contact me on e-mail or you can call my son on this number +27739444293 his name is Joseph

If you want to speak with my banker, that is fine and okay by me. You will have to send down your private telephone /fax number so that I can forward it to him to reach you from time to time this is for security reasons.

Please I do not need to remind you of the need for absolute confidentiality of this transaction must succeed. If you do not feel comfortable with this transaction, do not hesitate to discontinue.

Thanks for your anticipated co-operation and my regards to your family.

Ms. Susan shabangu
Minister of Mineral and Resources
South Africa.
