My name is **Filp Liner**; I am 50 years; I'm from Norway Europe but am based here in **Mossel Bay South Africa** as a Chemical engineer working in the rig(offshore). I'm a widower for the 5 years now and was blessed with a beautiful daughter **Sandra**, by a wonderful, sweet and caring late wife and mother.

I am looking for a woman with a heart of worship, a heart of love and a desire to be loved. I'm looking forward to make her happy and spoil her with lots of love have lots of love to give.
